

## Now on Every Business Check Order — Fully Managed Check Fraud Recovery

**CheckArmor offers peace of mind and enhances check value**

### **Check fraud continues to be the most prevalent form of business payment fraud.<sup>1</sup>**

Business check buyers look to their financial institution to help prevent or mitigate the effects of fraud. To help your financial institution better protect valuable business check buyers, **CheckArmor is included with every Harland Clarke business check order.**

CheckArmor is fully managed check fraud recovery and mitigation, check replacement and funds advancement for certain types of fraud. It enhances the value you provide to business check buyers, and complements your fraud department's activities by providing additional fraud resolution services. In the event of check fraud, the business will receive dedicated assistance from a resolution specialist:

- Assess if there is additional risk and determine a mitigation and protection plan
- Triage the event and focus on limiting further exposure points
- Assist the business in preventing future fraud incidents

In the unfortunate event of fraud, business check buyers will have peace of mind with CheckArmor's hands-on guidance and support, including:

- **Extended fraud recovery support** in the event of certain forms of check fraud, including counterfeit check fraud
- Twelve additional months of **dedicated assistance** from certified recovery specialists when a fraud event occurs
- An assigned **resolution specialist** to advocate on the account holder's behalf
- **No-cost business check replacement**
- **Incident isolation and prevention tips** to assist the account holder in ensuring that the check fraud incident is not the symptom of a larger problem

When suspected fraud occurs, your business banker or the business check buyer can call **1.877.459.0050** to speak with a CheckArmor representative and be assigned a resolution specialist. CheckArmor's customer support team is available 24/7 to speak with business check buyers about any issue and help put their life back in order.
