# Experience You Can Trust

With more than 200 years combined experience, Harland Clarke is your financial forms specialist. Our documents offer consistent, dependable performance with any image processing systems.

We offer flexible formats, color-coding and printing, guaranteed MICR quality, and total customization capabilities — all with fast turnaround times. We produce documents quickly so your warehousing and obsolescence costs are virtually eliminated. We also ship documents directly to specified branch and department locations promptly and accurately.

Harland Clarke's Financial Forms and Services experts can help you with: **Standardization** - For the best value, we offer standard documents for all your needs. Just choose the style that's right for you. When you need financial forms fast, this is your ticket.

**Conversions** - Harland Clarke works with you to consolidate and standardize your documents for conversions. Our service and expertise are unsurpassed.

**Ordering** - Harland Clarke's web ordering system, [forms.center](https://forms.center), is among the best ordering systems available. Simply login to the secured ordering site and order your forms with your specifications. Update the forms with your specific personalization and see a WYSIWYG (what you see is what you get) display. Additionally, orders can be placed from a central location or any of your locations by mail, toll-free telephone or facsimile transmittal.

**Customization** - If you still need something different, we can design and print documents from your specifications. As your needs change, we quickly modify these items to meet them. It's just one way our flexibility works to your advantage.

**We maintain the highest standards and work to ensure your complete satisfaction. Our goals...**

- 100% accuracy
- On-time delivery, every time
- Industry leading service and systems
- Competitive pricing
- Unsurpassed flexibility

# Our Capabilities

Customer Service and Client Support functions are centralized to provide optimal...

**Flexibility** - Programs are managed from one location to enable full order entry and billing options while providing for operational flexibility.

**Security** - Access to all areas of our production facilities is controlled at all times.

**Capacity** - With multiple production options, we offer products on a "just-in-time" basis, or contact us for warehousing or pick and pack programs.

**Technology** - We work with you to implement user friendly automated ordering systems.

If you are looking for ways to **increase efficiency, maximize profitability** and **eliminate the problems** that accompany in-house production and warehousing, look no further. Harland Clarke has the solutions, services and expertise you need.
